Potbellied Pigs Become Unmanageable

Potbellied pigs are running wild in Delaware, alarming agricultural officials and raising the risk of damage and disease. The problem started when people bought the pigs as pets, but then quickly discovered they couldn't control them. The Delaware Department of Agriculture said, "Owners who can no longer manage these animals are likely to relinquish ownership and allow them to roam."

Sellers often mislead buyers by calling the pigs micro pigs, teacup pigs, and mini pig. But potbellied pigs can weigh up to 200 pounds and can live up to 20 years. The pigs can reproduce at a young age. Female potbellied pigs can become pregnant at three months old, and males can breed at eight weeks of age. The wild pigs dig up and destroy crops. Feral swine can also leave fecal material in waterways and wetlands, contaminating water sources and increasing disease risks for humans, wildlife, and livestock.

How much sin will you allow in your life? Some would never contemplate committing the "big" sins: murder, theft, etc. But oftentimes, we allow the little sins into our life. Those sins, over time, become larger than we expected.

There is a truth we need to learn: Sin will always take us farther than we intended to go.

When you look at the life of David, we actually see his decent into sin. First, he looked with lust upon Bathsheba. Secondly, he called for her to come to him and that led to adultery. And then thirdly, in order to cover up his sin, he committed murder by putting Bathsheba's husband, Uriah, in a situation where he would surely be killed. And it all began with an "innocent" look.

When I taught teenagers about the importance of protecting their lives by having a biblical perspective on dating, I know there were some who scoffed. I was being too Puritanical or too old fashioned in the minds of some. I tried to get across the point that the sex drive was comparable to a wild horse. You had two choices: you could let the horse run wild or you could tame the horse. The taming of the wild horse could be accomplished only through the power of the Holy Spirit. The application of His power and strength is capable of defeating any sin and temptation.

This past Sunday, the Church celebrated the resurrection of Jesus Christ, our Lord and Savior. The world, however, was celebrating "Transgender Visibility Day." Even our president issued a proclamation honoring the day on Good Friday. The honoring to this group was set during the Obama administration in 2009.

(It is my personal opinion that this current administration is the most anti-Christ group in the history of our nation. I am not flippantly making that statement. Considering their stances on homosexual rights, transgender issues that include child mutilation, abortion up to the time of birth, numerous instances of Christian persecution, etc., I have yet to hear an argument to convince me otherwise.)

But back to this Easter weekend, the non-believing community chooses to ignore the only One who could defeat the addictions that enslave them. Our society has pushed the sexual boundaries back further and further to the point that no one can define what normal is anymore. That is why believers need to seek the Scriptures and return to God's precepts concerning sexual behavior.

Paul writes in 1 Thessalonians 4:3....

“God’s will is for you to be holy, so stay away from all sexual sin.”

For further study, consider this paragraph taken from John MacArthur: In view of the permissive culture in Thessalonica, Paul considered abstention from sexual immorality to be the first priority in the Thessalonians’ devotion to sanctification. As already discussed, every imaginable sexual vice was rampant in and around Thessalonica; therefore, Paul was especially concerned that the Thessalonians could easily fall back into their former habits. So he gave them the direct, uncomplicated command to abstain from sexual immorality. Abstain means complete abstinence, in this case, staying completely away from any thought or behavior that violates the principles of God’s Word and results in any act of sexual sin. Sexual immorality (porneias) is a term used to describe any form of illicit sexual behavior (John 8:41; Acts 15:20, 29; 21:25; 1 Cor. 5:1; 6:13, 18; 2 Cor. 12:21; Gal. 5:19; Eph. 5:3; Col. 3:5; Rev. 2:21; 9:21). Any sexual activity that deviates from the monogamous relationship between a husband and a wife is immoral by God’s standard. The Lord does bless the sexual relationship in matrimony: ***“Marriage is to be held in honor among all, and the marriage bed is to be undefiled” (Heb. 13:4a)***. But He is not pleased with sexual activity of any kind other than that: ***“for fornicators and adulterers God will judge” (Heb. 13:4b; cf. Rom. 1:24–32; 2:2)***.

I realize this is pretty heavy stuff, but considering the time in which we live, it is completely necessary that we know what the Bible has to say about such matters.

Serving Him,

Pastor Bob
