Abortion Is The Leading Cause Of Death Worldwide

More human beings died in abortions than any other cause of death in 2018. A heartbreaking reminder about the prevalence of abortion. Statistics compiled by Worldometers indicate that there were nearly 42 million abortions world-wide in 2018. A study contrasted the abortion numbers to other causes of death.

Here's a breakdown of the causes of deaths world-wide for 2018:

Abortion—41.9 million

*Cardiovascular diseases—17.9 million (*this number did not appear in the article but was done by personal research*)

Cancer—8.2 million

Smoking—5 million

HIV/AIDS—1.7 million

Happy New Year

Continued from Page 1

Globally, just under a quarter of all pregnancies (23 percent) were ended by abortion in 2018, and for every 33 live births, ten infants were aborted. The abortion number is incomprehensible, but each of those 42 million abortions represents a living human being whose life was violently destroyed in their mother's womb. Each unborn baby already had their own unique DNA, making them distinct from their mother. Their DNA indicated if the child was a boy or girl, their eye and hair color...and much more. In most cases, the unborn babies' hearts are beating when they are aborted, too.

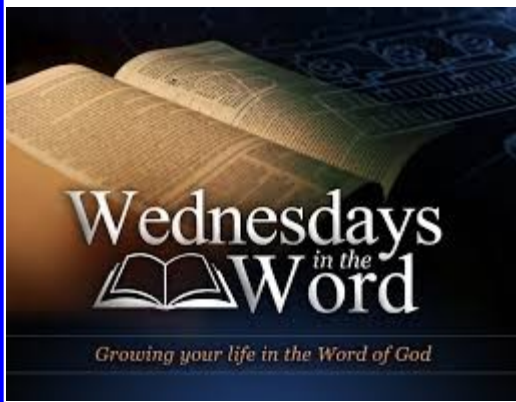

In America, just under 1 million babies are aborted every year. Though abortion rates have been dropping in the past decade, abortion remains the leading cause of death in the United States as well. An estimated 60 million unborn babies have been killed in abortions in the U.S. since Roe v. Wade in 1973.

This Sunday we will observe "Right to Life Sunday." We will have a special guest speaker who will share a personal testimony with us. We need to be constantly reminded that we serve and worship a God who honors life. Jesus proclaimed, "***I have come that you might have life and have it to the full.***" We owe it to the lives of the innocent who have no voice of their own to constantly speak up for them. We do it in our everyday conversation, but we especially take a stand when we vote. I will NEVER vote for a candidate who supports abortion. It is contrary to the teachings of scripture and is a stench in the nostrils of God. How blessed we are that He is a God of forgiveness. For those who have had an abortion and now suffer from guilt, God will restore that individual by His Grace. I hope you will join me as we pray against the forces that continue to promote this sin. We need to pray that God will restore our land as we confess our sin and plead for His healing.

In Christ We Stand,
Pastor Bob
